Attention: Mr. Greg Smith, Administrator

Dear Sir:

The City of Elgin is in the process of applying for a Community Development Block Grant as outlined in the Housing and Community Development Act of 1974. We plan to submit our application to the Department of Housing and Urban Development around the first part of May of this year.

We would like your assistance in preparing a Housing Assistance Plan for our community to submit with our application. The requirements of this Housing Assistance Plan is outlined in Subpart B, 570.303 (c) of the Federal Register, Volume 39, No. 181 - Tuesday, September 17th, 1974. We will be happy to assist you in any way that we can in the preparation of this report.

We would appreciate knowing as soon as possible whether the Housing Division can provide these services within the available time period and what action the City should initiate in assisting your office in the preparation of this plan.

Your assistance is very much appreciated. We will look forward to your early response.

Very truly yours,
